

WHO WE ARE

Our award-winning online safety training is the most efficient and cost convenient way to add value to your safety training program while saving you thousands.

Let us customize, streamline, automate and manage your safety training for you. Starting at only \$100 per year, per employee, we will set up a monthly training schedule and email the trainings to your employees every month. Your employees will also have access to the entire catalog of safety, OSHA and DOT trainings at no other cost allowing you to create a training program uniquely tailored to your needs.

- Need new hire or HR trainings? Check our catalog, we have that too.
- We also provide onsite CPR/first aid/AED and blood borne pathogen certification trainings, for \$70 per employee.

WHAT YOU GET WITH WORKFORCE HEALTH AND SAFETY

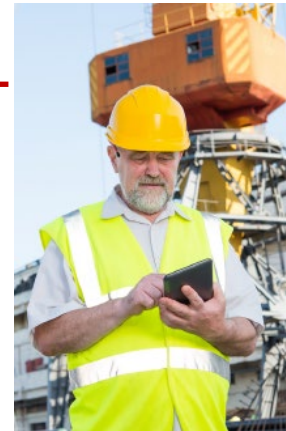

Experience all the benefits of a comprehensive workplace safety training program for a fraction of the cost of traditional training. Save on training costs, improve your safety record, increase employee satisfaction, and enhance your regulatory compliance with engaging and effective training. You and your employees can Work Smarter with Workforce Health and Safety.

TAILOR-MADE

Workforce Health and Safety helps you implement YOUR training program with enhanced customization options that put your organization front and center.

Award-Winning Training

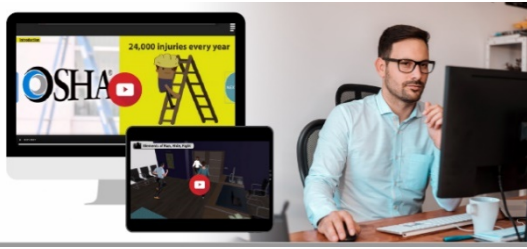

The Workforce Health and Safety course library contains over 700 of the most-effective EHS and HR full length and micro training titles available, built based on regional and international standards (EPA, DOT, ISO 45001, etc.). Our rich, interactive courses ensure a front-of-the-seat learning experience with full-length courses averaging 15-25 minutes and microlearning courses averaging 5-7 minutes.

Engaging Content

Workforce Health and Safety has courseware with production values that are second to none: vibrant, 3D animations, full narration, and Adaptive Branch Learning Engagement (ABLE), which eliminates redundancy of information by allowing the learner to travel through the experience differently each time.

Fully Accessible

Self-paced, 508-compliant courses with six language options. Courses are accessible through the user-friendly interface 24/7, on desktop or mobile, anywhere in the world.

Always Current, Always Compliant

Workforce Health and Safety continuously updates our titles with new content, fresh imagery, and improved features to ensure our courses remain accurate, relevant, and engaging. Workforce Health and Safety courses are also always compliant with updated OSHA and international regulations.
